American Veterans Christian Alliance
Mr. Adrian P. Rosales
2734 Johnson Dr, Ste D
Ventura, CA 93003-7248

Dear Adrian,

Thank you for contacting Family Research Council regarding the upcoming fund raiser to be held by the American Veterans Christian Alliance. We are pleased to learn of your efforts.

Pregnancy Resource Centers provide a vital service to women in often very difficult situations. By offering life-affirming guidance to women in need, PRC's protect the dignity of both mother and child. In a fitting testament to the character of those who have served in uniform, we salute our military veterans who now choose to defend the lives of their most vulnerable countrymen by supporting PRC's.

May God bless and keep you all.

Tony Perkins
President
USMC Veteran

Dear Friend for Life,

As a former officer and physician in the USAF I applaud this effort to raise awareness about the unborn, to help raise funds for these organizations helping to save lives and to share the gospel of Jesus Christ. I was in the Air Force in Germany when former president Clinton directed the military to start performing abortions at overseas military hospitals. It was a presidential directive that was never carried out because all over Europe and the pacific, individual doctors stood up for life and refused to perform or let others perform abortions in military hospitals. If all of us would stand together for the unborn I have no doubt [we] could stop abortions in America as well.

Please take the time to look over the information on this web site and to pray for these [veterans] and the people supporting them as they do this Triathlon. Pray that God will use this effort to help save baby's lives across America and also to share with people the Good News of Christ. I am now living in a country that does not allow it's people to hold such an event for life and has millions of abortions every year. Be thankful for the freedoms we have in [the] USA and speak out where ever you are for the unborn and for Jesus.

God bless,

Larry Gee, MD

[sent via email, 31 July 2008] Dr. Gee is now serving as a medical missionary with his wife and children in a communist nation. He was the founder of GI's for Truth based out of Germany back in 1993 as one of the first doctors in the military to organize other military physicians to oppose abortion.

Adrian,

God bless you and the other athletes for coordinating and participating this great cause. We at All Nations Church are proud to be a part of it via Sandy and Phil Plentzas. They are wonderful servants and hard workers. May the Lord bless each of you, give you protection as you swim, bike and run, and may he be your strength and endurance the whole way. May God bless this event with funding for the pro-life cause which is close to His heart.

God bless you all,

Lincoln Murdoch
Pastor - All Nations Church Phoenix

[sent via email, 28 July 2008] Pastor Murdoch is the pastor of Phil and Sandy Plentzas' home church.
